```
graph TD; A["/home/tbt/workspace<br/>/dpol/smsimulator5.5<br/>/smg4lib/include/TSimData.hh"] --> B[TObject.h]; A --> C[TVector3.h]; A --> D[TLorentzVector.h]; A --> E[TString.h]; A --> F[vector];
```

The diagram illustrates a header file path at the top, which is shaded gray and contains three lines of text. Five blue arrows originate from the bottom of this box and point to five separate white boxes arranged horizontally below it. Each white box contains a file name. The arrows indicate that the header file defines or includes these five files.
